

# How to interpret a Creative Commons licence

Creative Commons licences work alongside copyright and enable content creators to modify their copyright terms. They provide free copyright licences in a simple, standardized way to give the public permission to share and use creative work, based on conditions chosen by the content creator.

[Learn to recognize and understand them!](#)

## Attribution

Allows you to distribute, remix, edit and adapt a work, even for commercial purposes. The work must be attributed to the author.

BY

## Attribution – no derivs

Allows redistribution, for commercial or non-commercial purposes, as long as the work is shared without modification and in its entirety, with attribution to the author.

BY ND

## Attribution – non commercial – share alike

Allows remixing, arranging and adapting a work for non-commercial purposes. The work must be attributed to the author and the derivative works must be shared under identical conditions.

BY NC SA

## Attribution – share alike

Allows remixing, arranging and adapting a work, even for commercial purposes. The work must be attributed to the author and the derivative works must be shared under identical conditions.

BY SA

## Attribution – non commercial

Allows remixing, arranging and adapting a work for non-commercial purposes. The work must be attributed to the author, but the derivative works do not have to be shared under the same conditions.

BY NC

## Attribution – non commercial – no derivs

Only allows the sharing of the work, which must be attributed to the author. No changes or commercial uses are allowed.

BY NC ND
